FRESH
PRODUCTS

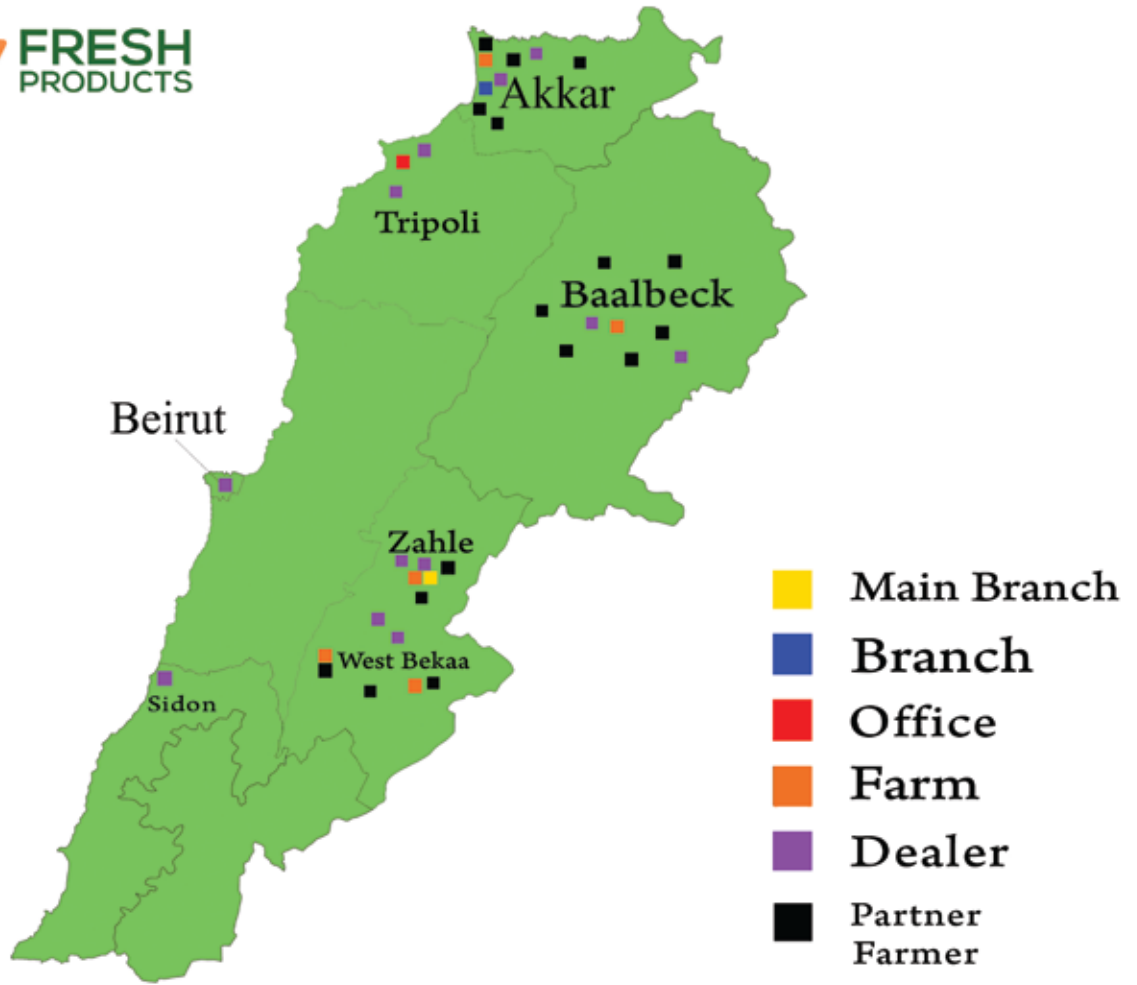

Quality is of utmost importance to us, we, at Fresh Products produce premium carrots 52 weeks of the year, which is why we are able to supply you with fresh and healthy carrots all year long alongside onions and potatoes. Furthermore given that Nantes carrots are renowned for their remarkably unique shape, size, and length, we have made it our responsibility to produce and provide you with quality Nantes carrots that grow on the slopes of the mountains of Lebanon, giving them an exquisite sweetness, flavor, and a long shelf life.

Fresh Products, the biggest carrot producer and packaging in Lebanon, and one of the largest players in the Middle East.

As per our emblem of providing products with longevity, freshness, and delicious flavor, our produce is shipped from Lebanon to Kuwait, United Arab Emirates, Qatar, Jordan, Libya, and Ghana to ensure that our clients receive quality produce everywhere. Beside our farms, we coordinate and manage our partners' farms in order to maximize production and cover the needs of the markets.
